

## **Transfer Students**

If the applicant is a transfer student:

- The applicant must complete the relevant steps under Undergraduate Admissions Requirements.
- The applicant transferring 30 or more semester hours of post-secondary credit with a 2.00 cumulative grade point average does not need to submit a high school transcript.
- The applicant must have each post-secondary institution send an **official transcript** to the TIBS office.

## **Transfer of Credits Policy**

Texas Independent Baptist Seminary & Schools accepts transferred credits only for four-year programs. A four-year student must obtain a minimum of half of his credits (64) from courses taken at TIBS.

Transferred credits may include relevant credits earned with a grade of "C" or above from most post-secondary institutions after validation by the registrar and/or administration. Validation demonstrates that the credits transferred represent comparable and appropriate course content and level of instruction resulting in student competencies comparable to those of students at Texas Independent Baptist Seminary & Schools.

## **Readmitted Students**

If the applicant has previously attended Texas Independent Baptist Seminary & Schools and desires to return:

- The applicant must submit an application form for readmission if the student has had a lapse in enrollment from TIBS for one semester or more.
- The applicant must request **official transcripts** to be mailed directly to the TIBS office from each institution where post-secondary level work has been completed since last attending TIBS.

## **Admission of Veterans**

Texas Independent Baptist Seminary & Schools is approved for veterans and other eligible persons under the provision of Section 1776, Title 38, United States Code. Veterans should be aware that not all programs of study qualify for Veteran benefits, and they should direct any questions regarding this to the Veteran's Administrator at the Seminary. Veterans who wish to receive benefits while in school should apply for the Certificate of Eligibility at the nearest Veteran's Administration office. This certificate should be forwarded to the Veteran's Administrator at TIBS and not sent directly to the Veteran's Administration.
