Payment Plan

- Payment of all semester charges is expected at orientation each semester unless other arrangements are made in advance.
- A minimum of \$1300 plus the internet usage fee of \$50.00 is due at registration.
- Students who are unable financially to pay the entire semester's room, board, and tuition may be permitted to enter into a financial agreement with the finance office.
 - This agreement will establish terms whereby consistent payments may be made to the college.
 - Any such agreement will be based upon the student's work and income.
- Regardless of the terms of the agreement, all semester charges must be completely paid by December 1 of the Fall

semester and May 1 of the Spring semester of the college year.

- When a student has a financial agreement with the college, all installment payments must be paid within 5 days of the due date.
 - Failure to do so will result in the student being suspended from classes until the payment is made.
 - These absences are not excused and could adversely affect the student's academic record.
 - The college may also apply a late fee of 10% of the unpaid amount.
- Students will not be able to enroll in a new semester when their bill is not current.

Financial Withdrawal Policy

A student who withdraws from school after orientation week will owe all costs for the semester according to the following schedule:

8 - 14 days after the Friday orientation week	50%
15 - 21 days after the Friday orientation week	75%

Books and Supplies

The cost of textbooks and supplies is not included in the basic cost per semester. The student is personally responsible for acquiring all required textbooks and supplies. Textbooks

and supplies for particular courses must be acquired before the first day of classes each session. A required textbook and supply list is sent to each student before the start of each semester.
